What is so fascinating about a Transatlantic voyage?

The fact that the SEA CLOUD was built more than 90 years ago as a private luxury yacht can be felt at every turn on board. Even today, the legendary four-master imbues the timelessly sophisticated flair. It is this symbiosis of sporty elegance, original sailing adventure and generous hospitality that turns an Atlantic crossing on the SEA CLOUD into a lasting and impressive experience. Whether relaxing in the deck chair, talking shop with the captain, or tying knots with the crew – it never gets boring on board. And a true highlight is the Atlantic christening ceremony with a visit from Neptune himself.
