What is so fascinating about a transatlantic voyage?

Our modern SEA CLOUD SPIRIT proves on the voyage across the Atlantic, how perfectly authentic windjammer sailing can be combined with the feel-good demands of the 21st century. The amenities on board turn the Atlantic crossing into a voyage of pure indulgence. It never gets boring on board: whether you want to tie knots with the crew, look over the captain's shoulder or talk shop with our lecturers, you set the course. A special highlight in the middle of the ocean is the Atlantic christening – of course with a visit from Neptune himself.
