What is so fascinating about a transatlantic voyage?

Say goodbye to everyday stress: On an Atlantic crossing you alone set the pace. Whether you want to sleep in or greet the sunrise early on deck, whether you want to relax or be active, you decide depending on your mood. Even though the SEA CLOUD II is a genuine windjammer, first and foremost her focus lies on providing pure comfort throughout your cruise. With her spacious decks and tastefully furnished cabins, she offers plenty of room for seclusion. You want to browse in the library? Work out in the fitness area? Talk shop with our lecturers? There is never a dull moment. And a true highlight is the Atlantic christening ceremony with a visit from Neptune himself.
